

# Out And About – Road Hazard – Fault Report – Northern Ireland

This form is primarily designed as an aide memoire, when you are out and about, if you come across a hazard or fault on the road that you consider is a danger to motorcyclists.

The Roads Service have an online reporting facility, use the details you have logged on this form to report the road hazard or fault when you get back home.

Alternatively use this information to post the road hazard or fault to your local Roads Service office.

Details at [www.roadsni.gov.uk](http://www.roadsni.gov.uk)

## The Form

Fill in as many of the details as possible to accurately locate the problem. To help locate the hazard or fault be as precise as possible, for example, road name, what house number the fault hazard is close to, or nearby junctions, landmarks etc.
